Mr. Harold Weisberg,
313 H. St., N. W.,
Washington, D. C.

Dear Mr. Weisberg:

I am sorry that your Smythe material has been held so long. Mr. Fraysur just handed it to me to be returned.

You will probably be interested to know that publication of PHOTO STORY has been suspended for the duration, owing to paper shortage. It is expected however, that publication will be resumed promptly when the paper situation is cleared up.

Cordially yours,

Helen Fosher
